MACHINE WASH YOUR QUATRO LEOTARDS. Caring for your leotards made easy.

We want your garments to look as good as new after months and months of hard work in the gym. Therefore, leotards need and deserve some special care. Follow these simple steps immediately after each wearing of your leotard and it will continue to look great even in front of the toughest judges.

- 1 Turn the garment inside out.
- 2 Machine wash individually on a delicate cycle in a large volume of cold water. Do not use detergent.
- 3 Immediately after the spin cycle hang on a thick coat hanger to dry.

- NO HAND WASHING
- NO IRONING
- NO BLEACH
- NO FABRIC SOFTENER
- NO DETERGENT

Please ensure you follow these instructions carefully, failure to do so will void your warranty.
